

# Get the big picture, fast with Rapid Clinical Summary by ChartSwap

Clear and concise continuity of care documents delivered to your inbox – enabling you to invest your time in the details that matter.

## What are the Benefits of a Rapid Clinical Summary?

### One Flat Fee

No additional costs makes it easy to forecast your spend – no custodian fees, download fees, retrieval fees, or platform fees.

### Simple & Scannable Format

Rapid Clinical Summaries offer a clear and consistent format – reducing the risk of errors commonly found in traditional medical records due to confusing messages or messy doctor's notes.

### Rapid Delivery

Receive a comprehensive, concise medical history sent to your inbox in approximately 48 hours – allowing you to focus your time on what really matters.

### Vast Network of Providers

ChartSwap provides you access to a growing network of over 185K providers, increasing the likelihood of finding a match and getting the information you need quickly.

# RAPID Clinical Summary

BY: ChartSwap

## What information may be included in a Continuity of Care Document?

- Patient demographic information
- Problem list
- Medication list
- Allergy list
- Procedures
- Vital signs
- Laboratory results
- Immunizations
- Care team
- Functional status
- Advance directives
- Social history
- Family history

## How does the Rapid Clinical Summary work?

### 1 Log-in to ChartSwap to initiate a Rapid Clinical Summary query

Submit a query containing patient demographics including name, DOB, gender, city/state, ZIP code, insurance ID, and the last 4 digits of the SSN. Before submitting, you will have the option to choose a window of time for us to search records.

### 2 Patient demographics are queried to identify matches

You will receive a report on patient matches and where they are located within 24 hours.

### 3 Request Rapid Clinical Summaries

You will be notified when query results are available with matches and can request Rapid Clinical Summaries.

### 4 Rapid Clinical Summaries are delivered

Requested Rapid Clinical Summaries are delivered to your inbox in PDF format in approximately 48 hours.
